About Our Firm

For more than 100 years, Kirkland has provided exceptional service to clients around the world in complex litigation, corporate and tax, intellectual property, restructuring and counseling matters. The groundwork has been established for another century of superior legal work and client service.

Philosophy

Kirkland's principal goals are to provide the highest quality legal services available anywhere; to be an instrumental part of each client's success; and to recruit, retain and advance the brightest legal talent. Our Firm seeks long-term, partnering relationships with clients, to the end of providing the best total solution to the client's legal needs.

Practice Areas

We manage our Firm as an integrated whole. Approximately 2,200 lawyers in varying practice areas work together as multidisciplinary teams to provide the full-service capabilities our clients need for the legal matters they retain Kirkland to handle.

In our Beijing office, we have a prominent corporate practice that specializes in:

- M&A/ PE
- Capital Markets
